If mare should miscarry or abort after being pronounced "safe in foal", the Mare Owner has the privilege to return her for breeding during the current breeding season or the following year.

If you are breeding to one of Oak Ridge Farm's homozygous paint stallions, this contract contains a LIVE FOAL COLOR GUARANTEE. The above mentioned portion of this stands for the live foal guarantee and in addition a guarantee of a spotted colt would apply to the mating of said mare to one of our homozygous stallions.

Our homozygous stallions are Vibrant Cherokee, APHA 630978 and Substitution, APHA 666038.
